### Is Financial Assistance Available at All Harrisburg Area YMCA Branches?

Financial Assistance is available at every branch. However, because subsidies are branch specific, financial assistance is not transferable from one branch to another. In other words, assistance must be sought at the branch at which you will be participating as a member or program participant.

YMCA Strong Communities Membership and Program Financial Assistance opens up a world of YMCA programs and activities for you and your family.

We're More Than You Think.

We are the YMCA.

We build strong kids, strong families and strong communities everyday by:

- Providing children with the skills and values necessary for successful, contributing adulthood.
- Partnering with private and public organizations to improve the economic and social strength of our diverse neighborhoods.

The Harrisburg Area YMCA is an association for people of all ages, ethnic origins, religious affiliations and socio-economic levels. Emphasis is based on the whole person through programs and activities that develop mental, spiritual, physical and social well being. With appreciation for the diversity of people, the YMCA endeavors to provide the resources, programs, activities and facilities to meet the needs of individuals and families throughout the community.
